

NAVYUG KANYA MAHAVIDYALAYA RAJENDRA NAGAR LUCKNOW

Measures Initiated By The Institution For The Promotion Of Gender Equity Session 2022-23

The very foundation of college is promotion of gender equity by providing equal opportunities to girl child in the field of education. The college envisions to empower and educate girl students. The girls are taught to stand against gender discrimination, violence and deprivation of women rights.

Mission Shakti Cell, Proctorial Board, Grievance and Redressal Committee, Mentoring and Counseling Cell and different departments carry out activities to promote gender equity and sensitization like awareness campaigns on women safety, street harassment, self defense, women rights, woman health and Hygiene and other women related issues to equip them with the wide range of skills and knowledge required to overcome gender related discriminations.

National Seminar on Breaking gender biases: A step towards sustainable development was also organized by the Chemistry department of the college for provide open platform to create awareness on role and contribution of both the genders in creation and development of a well balanced society.

For providing safety and security to every student college have well-trained and vigilant security guards at campus gate ,extensive surveillance network through cameras, rotational duties by Student Council members for maintaining discipline and security of students. Self defense training given from time to time.
