

Session 2016-2017

One of the major decision taken by the principal with the prior approval of the Management Committee was to acquire Roof top Solar power plant (10KVA on initial basis) abiding by the new rules issued by MHRD. Provision of Online attendance has been made. Moreover, purchase of Xerox machine (Simplex -1800), Bar-coding & labeling of books in the Library has also been completed. There was addition of 8 neckband public address systems and one portable sound system to carry out social awareness rallies by the college students in slums & major areas of the city.
